## MERRY XMAS TO YOU

### EXECUTIVE COMMITTEE NOTES \*\*\*\*\*

The Executive Committee met following the last meeting of the chapter in Marquette Park District.

Several other items of importance were shelved in order to discuss the pro and con of a splitting of our Chapter into smaller groups from each District.

One possibility would be a division of Tribes OUR BROTHERS OF BLACK HAWK all belonging to Black Hawk Chapter. On alternate months these Tribes would have their own meetings; and meet on the other months with other Tribes of our Chapter. The Executive Committee wants to know how our members feel. Please write, wire, phone or come to the next meeting.

### NEXT MEETING TO BE IN CICERO

7:00 O'Clock on Dec. 19 in the Blue Room of the Cicero Stadium (located at 1911 South 52nd Ave.

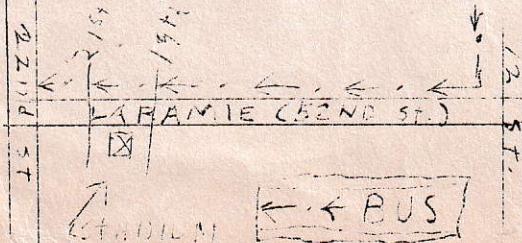

LET'S ALL BE THERE FOR A TOP NOTCH MEETING

\*\*\*\*\*

### RITUAL TEAM PUTS ON SEVERAL SHOWS

From Don Neindersma of the Ritual Team we learn of numerous activities of that group in serving the various units of our district. Units 380, 398 and 370 were served recently.

To get to the meeting place for the December meeting, take a West Towns Bus from 12th St (West of 52nd St.) marked 35th St-Austin or from 22nd St. and 52nd St. take any bus going north.

### THE CHIEF SPEAKS

Greetings of the Season, my Brothers. It is my pleasure and privilege to bring you, through our Chapter "Arrowhead", a message of optimism for the new year. We are facing a year which will be overflowing with opportunities for us to follow our creed of "Cheerful Service". Let us each be ready to do our part whenever required, to offer this service wherever it may be needed.

Many units in our group of Districts will call on us for assistance in putting over a program of summer camping for them, or to perform some ceremonial work to impress the younger Scouts. Let us be ready to answer the call collectively and individually - when it comes.

### BLACK HAWK TO PLAY HOST FOR LODGE FELLOWSHIP

Brother Joe Busse tells us that our chapter has accepted the role of host for the Lodge Fellowship in the spring. Costumes and participants are needed.

Dear Brother,

It's in the air I tell you, ther's no doubt about it !!! Christmas and New Years are almost upon us. Gee, if we stop awhile and look back it doesn't seem possible, but it really is so. Summer camp has come and gone, spring and fall fellowships have been conducted and our years dues have expired.

Those last five words are what I'm really interested in. Did you stop and really think just what your dues bring you every year. First of all, a feeling of really being one of us, and then an assurance of receiving advance notice of all meetings, fellowships and other good times, not to mention our monthly newspaper the "Arrowhead", which in my opinion is worth the money in itself. There are also those numerous affairs which only a paid-up arrowman can attend, for example thos out of town banquets and fellowships. Really, I don't think I have to go any further, where else can you get so much for so little.

Blackhawk chapter has many affairs planned for 1951 and we want you to be there and enjoy them. But, as we both know, any affair that we run needs backing and in this case your 1951 are what we require. So by paying your dues for 1951 you are helping first of all yourself and then the Chapter.

Mail in your dollar, yes that is all that it will cost you, and the and the bottom part of this page to      Blackhawk Chapter

P.S. If you pay your 1951 dues before January 31st. all past dues will be waived.

The December meeting will be held on December the 19th. in the Blue Room of the Cicero Stadium, 1911 South 52nd. Avenue, at 7:30 P.M. There still are some fall fellowship patches which will be available at this meeting, so plan to attend.
